

Blockchain.com User Agreement

Last updated: 8 September 2020

This is an agreement between Blockchain Access UK Ltd (“Blockchain.com”, “we”, “us”, or “our”) a company registered in England and Wales under registration 11337627 and you (together with Blockchain.com, the “Parties” and each a “Party”). By using any Blockchain.com service, whether through blockchain.com, any associated website, API, or mobile application, you agree that you have read, understood, and accept all of the terms and conditions contained herein (the “User Agreement”), as well as our Privacy Policy available at <https://www.blockchain.com/privacy>, Cookie Policy, available at [blockchain.com/cookies](https://www.blockchain.com/cookies), API Agreement, available at [blockchain.com/legal/api-terms](https://www.blockchain.com/legal/api-terms) and Trading Principles, located at: https://exchange.blockchain.com/legal#trading_principles

THIS AGREEMENT CONTAINS AN ARBITRATION PROVISION. IF YOU ARE A US PERSON AND WE CANNOT RESOLVE A DISPUTE THROUGH OUR USER OPERATIONS TEAM, ALL DISPUTES ARISING UNDER THIS USER AGREEMENT SHALL BE SETTLED IN BINDING ARBITRATION AS SET FORTH IN SECTION 15. ENTERING INTO THIS AGREEMENT CONSTITUTES A WAIVER OF YOUR RIGHT TO A TRIAL BY JURY AND PARTICIPATION IN A CLASS ACTION LAWSUIT.

1. GENERAL USE

1.1 Eligibility

By using the Blockchain.com Site and entering into this User Agreement, you affirm that you are an individual, at least 18 years of age or older, have the capacity to enter into this User Agreement and agree to be legally bound by the terms and conditions of this User Agreement, including the Cookie Policy, the Privacy Policy and the Trading Principles as incorporated herein, as amended from time to time. In order to use the Services, you may be required to provide certain identifying information pursuant to our Compliance Program.

1.2 Modification

1.2.1 We may change the terms of this User Agreement at any time. Any such changes shall take effect when posted on the Blockchain.com Site, or when you use the Services. If you have supplied us with an email address, we shall also attempt to notify you by email of changes to this User Agreement. If you disagree with any changes to this User Agreement, contact us.

1.2.2 It is your responsibility to update your contact information, including but not limited to the email address provided to us (if any); failure to do so may result in you not receiving notice of any such changes to the User Agreement.

1.2.3 Read the User Agreement carefully on each occasion you use the Services. Your continued use of the Services shall signify your acceptance to be bound by the current User Agreement. Our failure or delay in enforcing or partially enforcing any provision of this User Agreement shall not be construed as a waiver of any of our rights.

2. DEFINITIONS

Airdrop Program means the provision of virtual currency by Blockchain Access UK Ltd at no cost and on the terms set forth in Section 8.

API means application programming interface, is not a Service and is governed by a separate agreement.

Blockchain.com Exchange means the electronic trade execution system provided by Blockchain Access UK Ltd that is used for trading Virtual Currency on the terms set forth in Section 9.

Blockchain.com Group means the Blockchain.com group of companies under the common control of Blockchain Luxembourg S.A.

Blockchain.com Site means the webpages and information available via blockchain.com and any Blockchain.com mobile application.

Compliance Program means the requirements set by Blockchain.com for collecting, verifying, recording and reporting information about you, upon first accessing certain Services and on an ongoing basis, whether for our business risk-management purposes or to comply with legal requirements applicable to us.

Fork means a change to the underlying protocol of a Virtual Currency network that results in more than one version of a Virtual Currency, the result of which may be one or more versions that are not supported by Blockchain.com.

Lockbox means the electronic hardware key management device supported by the Wallet but provided by a third party as set forth in Section 7.

Services means one or more of the following services offered or provided by Blockchain.com via website or local application (mobile, desktop, or otherwise), including the Wallet, Lockbox, Swap, the Airdrop Program, Blockchain.com Site, and Blockchain.com Exchange.

Swap means the noncustodial conversion service provided by Blockchain Access UK Ltd that allows you to exchange one virtual currency for another virtual currency or for fiat currency on the terms set forth in Section 6.

Trading Wallet means the functionality within the Wallet that permits you to buy and hold Virtual Currency on a custodial basis with Blockchain.com until such time as you have activated the self-custodial functionality within the Wallet and/or transferred purchased Virtual Currency into the self-custodial functionality within the Wallet.

User Account means an account kept by Blockchain Access UK Ltd for Blockchain.com Exchange, the Airdrop Program, and Swap. For the avoidance of doubt, no User Account is associated with a Wallet unless the Wallet is linked to one of the foregoing Services.

Virtual Currency means a cryptocurrency, digital currency, digital asset, cryptoasset or other such similar term describing, for example, Bitcoin or Ether but does not include a derivative of a virtual currency, or a security, as defined under applicable law.

Wallet means the wallet software published by Blockchain Luxembourg S.A., consisting of software that permits you to self-custody virtual currency, organise network addresses, view transaction history and transact in virtual currencies as set forth in Section 5.

3. COMPLIANCE WITH APPLICABLE LAW

Your relationship with Blockchain.com and use of any of the Services may be subject to the laws, regulations, and rules of governmental or regulatory authorities in your or our jurisdiction (**Applicable Law**). By entering into this User Agreement, you agree to act in compliance with and be legally bound to any and all Applicable Law.

4. ACCESSING THE SERVICES

4.1. Limited Licence

We grant you a limited, nonexclusive, non-transferable licence to access and use the Services and the Blockchain.com Site solely in accordance with the terms of this Agreement.

4.2 Credentials

You must keep secret all credentials associated with the Services. You are solely responsible for managing and maintaining the security of any information relating to such credentials and agree that Blockchain.com shall not be held responsible (and you shall not hold us responsible) for any unauthorised access to the Services or any resulting harm you may suffer.

4.3 Compliance

Your access to one or more Services may be contingent upon satisfaction of our onboarding processes as well as our Compliance Program, which may include verification of your identity and source of funds, and additional information we may request from time-to-time. The information we request may include, without limitation, personally identifiable information such as network address, name, email, address, telephone number, date of birth, taxpayer identification or social security number, official government-issued photo identification, and bank account information or other information we may reasonably deem helpful in satisfying our risk management or legal obligations. In providing this information to us you represent that it is accurate and agree to update your User Account information promptly, but in no event later than 14 days following any change in your information. Failure to provide information or update it promptly may result in Services or funds being unavailable to you.

4.4 Communications

Any and all communications from Blockchain.com may be provided to you via electronic mail at the address you provided when accessing the Services. Blockchain.com shall not be responsible for any harm you may suffer as a result of your failure to receive any notice provided to you in connection with this User Agreement or your use of Services so long as such notice is provided to such email address. Blockchain.com may also communicate with you through other methods, including via telephone call, instant messaging or chat applications either operated by Blockchain.com or a third party.

4.5 Termination

We may close, terminate, enable or disable any or all of the Services, your User Account or your access to the Services at any time and for any reason. You may close your User Account at any time and for any reason. Depending on the Services available to you in your User Account, we may require you to take certain actions in order to complete a pending transaction or provide additional information prior to closing such User Account. You are solely responsible for any fees already incurred or associated with the closing of your User Account, whether incurred directly by you from Blockchain.com, or incurred by Blockchain.com on your behalf with a third party in order to complete any such action. Closing your User Account may not result in the deletion of information we hold about you or your activity.

5. THE WALLET

5.1 Description

5.1.1 The Wallet is provided to you exclusively by Blockchain Luxembourg S.A. The Wallet is only capable of supporting certain Virtual Currencies. Under no circumstances should you attempt to store Virtual Currencies in your Wallet that the Wallet does not support.

5.1.2 When you create a Wallet, the Wallet software generates a cryptographic private and public key pair that you may use to send and receive any supported Virtual Currency via the relevant Virtual Currency network. YOU MUST STORE, OUTSIDE OF THE SERVICES, A BACKUP OF ALL WALLET CREDENTIALS, INCLUDING YOUR PASSPHRASES, IDENTIFIERS, BACKUP PHRASES, PRIVATE KEYS AND NETWORK ADDRESSES. If you do not maintain a backup of your Wallet data outside of the Services, you will not be able to access Virtual Currency previously accessed using your Wallet in the event that we discontinue or no longer offer some or all of the Services or may otherwise lose access to Virtual Currency. We are not responsible for maintaining this data on your behalf.

5.2 Trading Wallet

5.2.1 General

The Wallet will generally be made available on a non-custodial basis enabling you to self-custody your Virtual Currency. Any Virtual Currency you purchase using fiat currency in the Wallet will be held in the Trading Wallet. All Virtual Currency held in your Trading Wallet will be custodial assets held by Blockchain.com for your benefit. Among other things, this means that:

- (a) As the owner of Virtual Currency in your Trading Wallet, you shall bear all risk of loss of such Virtual Currency. Blockchain.com shall not have any liability for fluctuations in the fiat currency value of Virtual Currency held in your Trading Wallet.
- (b) You control the Virtual Currency held in your Trading Wallet. At any time, subject to outages, downtime, and other applicable policies, you may withdraw your Virtual Currency by sending it to a different blockchain address controlled by you or a third party. In the event you wish to transfer Virtual Currency into the Wallet, you may be prompted to set up a backup phrase in order to do so.
- (c) In order to more securely custody assets, Blockchain.com may use shared blockchain addresses, controlled by a member of the Blockchain.com Group, to hold Virtual Currencies held on behalf of customers and/or held on behalf of Blockchain.com. Although we maintain separate ledger accounting entries for customer and Blockchain.com accounts, no member of the Blockchain.com Group shall have any obligation to segregate by blockchain address Virtual Currencies owned by you from Virtual Currencies owned by other customers or by any member of the Blockchain.com Group.

The Trading Wallet will be exclusively provided by Blockchain Access UK Ltd.

5.2.2 Minimum Holding Periods

When you place purchase orders in the Trading Wallet, we may impose minimum holding periods in respect of any Virtual Currency that you have purchased which may last up to a maximum of 7 days. These minimum holding periods are necessary to enable us to carry out effective fraud prevention measures and to ensure that the fiat currency leg of any given transaction has settled. After this minimum holding period elapses, you may trade your Virtual Currency in the ordinary way.

5.2.3 No Cancellation

You may not cancel, reverse or change any transaction in the Trading Wallet. We may suspend, delay, redirect, reverse or cancel any transaction at any time and for any reason. For example, and without limitation, we may do so if we suspect any risk of fraud, crime, breach of this User Agreement, or illicit activity.

5.2.4 Transaction Limitation

We may implement transaction limits in the Trading Wallet. These may vary based on a variety of factors, including, without limitation, the time of your transaction, your location, the Virtual Currency purchased, and the Virtual Currency sold. We implement, raise and lower transaction limits in the Trading Wallet in our sole discretion.

5.3 Risk Disclosures Relating to the Wallet

5.3.1 In order to be completed, any Virtual Currency transaction created with the Wallet must be confirmed and recorded in the Virtual Currency ledger associated with the relevant Virtual Currency network. Such networks are decentralised, peer-to-peer networks supported by independent third parties, which are not owned, controlled or operated by Blockchain.com.

5.3.2 Blockchain.com has no control over any Virtual Currency network and therefore cannot and does not ensure that any transaction details you submit via our Services will be confirmed on the relevant Virtual Currency network. The transaction details you submit via our Services may not be completed, or may be substantially delayed, by the Virtual Currency network used to process the transaction. We do not guarantee that the Wallet can transfer title or right in any Virtual Currency or make any warranties whatsoever with regard to title.

5.3.3 Once transaction details have been submitted to a Virtual Currency network, we cannot assist you to cancel or otherwise modify your transaction or transaction details. Blockchain.com has no control over any Virtual Currency network and does not have the ability to facilitate any cancellation or modification requests.

5.4 Forks

In the event of a Fork or other network disruption, Blockchain.com may not be able to support activity related to your Virtual Currency. In the event of a Fork, the transactions may not be completed, completed partially, incorrectly completed, or substantially delayed. Blockchain.com is not responsible for any loss incurred by you caused in whole or in part, directly or indirectly, by a Fork or other network disruption.

5.5 No Password Retrieval

5.5.1 With respect to the Wallet, Blockchain.com does not receive or store your Wallet password, nor any keys, network addresses or transaction history. We cannot assist you with Wallet password retrieval. You are solely responsible for remembering, storing and keeping secret your Wallet password. Any Virtual Currency you have associated with such Wallet may become inaccessible if you do not know or keep secret your Wallet password. Any third party with knowledge of one or more of your credentials (including, without limitation, a backup phrase, wallet identifier or password) can dispose of Virtual Currency in your Wallet.

5.5.2 When you create a Wallet, you must: (a) create a strong password that you do not use for any other website or online service; (b) provide accurate and truthful information; (c) protect and keep secret all credentials for the Wallet; (d) protect access to your device and your Wallet; (e) promptly notify

us if you discover or otherwise suspect any security breaches related to your Wallet; and (f) use the backup functionality provided through the Wallet and safeguard your backup files. You agree to take responsibility for all activities that occur with your Wallet and accept all risks of any authorised or unauthorised access to your Wallet, to the maximum extent permitted by law.

5.6 Fees

Blockchain.com does not currently charge a fee for the Wallet receiving, sending or controlling Virtual Currency. However, we reserve the right to do so in the future, and in such case shall display to you any applicable fees prior to you incurring the fee. Network fees (including, without limitation “miner’s fees”) required to use a Virtual Currency network may apply to a transaction. We may attempt to calculate such a fee for you. Our calculation may not be sufficient, or it may be excessive. You may select a greater or lesser fee. You are solely responsible for selecting and paying any such fee and Blockchain.com shall neither advance nor fund such a fee on your behalf, nor be responsible for any excess or insufficient fee calculation.

6. SWAP

6.1 Description

We may provide Swap to you using the Wallet interface. Swap is provided to you exclusively by Blockchain Access UK Ltd. Through Swap, Blockchain.com shall display to you a conversion rate that may include a fee, which you agree to pay. Swap works in connection with the Wallet, by which we shall deliver to you the requested Virtual Currency, less any applicable fees, by executing a transaction from a Virtual Currency address we control to one associated with your Wallet.

6.2 Due Diligence

We may, at our sole discretion and from time-to-time, require you to satisfy our Compliance Program before participating in Swap or receiving funds. In order to use Swap, you agree to cooperate with any such request and pay any associated fees, which may be modified or supplemented at any time.

6.3 No Cancellation

You may not cancel, reverse or change any Swap transaction. We may suspend, delay, redirect, reverse or cancel any Swap transaction at any time and for any reason. For example, and without limitation, we may do so if we suspect any risk of fraud, crime, breach of this User Agreement, or illicit activity.

6.4 Transaction Limitation

We may implement Swap transaction limits. These may vary based on a variety of factors, including, without limitation, the time of your transaction, your location, the Virtual Currency purchased, and the Virtual Currency sold. We implement, raise and lower Swap transaction limits in our sole discretion.

7. LOCKBOX

7.1 Description

We may advertise to you a Blockchain.com Lockbox hardware device to be used in connection with the Wallet or other Services. A Lockbox is manufactured, offered, sold and supported (if applicable) by third parties, not Blockchain.com. You have no relationship, contractual or otherwise, with Blockchain.com in connection with your purchase of a Lockbox from such third party. We do not act

as a reseller. We may, from time-to-time, include features permitting you to use a Lockbox in connection with the Wallet. We do not guarantee support for, or access to, any Lockbox as part of the Services. We shall not be responsible for any damages caused in whole or in part, directly or indirectly, by a Lockbox or any use of a Lockbox, whether or not it was used in connection with the Services.

7.2 No Password Retrieval

7.2.1 Blockchain.com does not receive or store passwords, keys, network addresses, transaction history, personal identification numbers (**PINs**) or other credentials associated with a Lockbox. We cannot assist you with Lockbox credential retrieval. You are solely responsible for remembering, storing and keeping secret any Lockbox credentials. Any Virtual Currency you have associated with a Lockbox may become inaccessible if you do not know or keep secret your credentials. Any third party with knowledge of one or more of your credentials (including, without limitation, a backup phrase or PIN) can dispose of Virtual Currency in your Lockbox.

7.2.2 When you set up a Lockbox, you must: (a) create strong credentials (like PINs) that you do not use for any other service; (b) protect and keep secret all credentials; (c) protect access to your Lockbox; (d) promptly notify us if you discover or otherwise suspect any security breaches related to your Lockbox; and (e) use the backup functionality provided with the Lockbox, keeping all backup information secure and confidential. You agree to take responsibility for all activities that occur in connection with your Lockbox and accept all risks of any authorised or unauthorised access to your Lockbox, to the maximum extent permitted by law.

7.3 Risk Disclosures Relating to the Lockbox

7.3.1 At no point will Blockchain.com ever take custody or control over any Virtual Currency stored using a Lockbox, nor will we have access to any credentials associated with your Lockbox or the ability to recover any Virtual Currency used in connection with a Lockbox.

7.3.2 Information relating to Virtual Currency, like balances, availability or value, may not reflect the actual balance in real-time. You must independently verify all information before relying on it, and any decisions or actions taken based upon such information are your sole responsibility.

7.4 Disclaimer of Warranties

7.4.1 Any Services offered in connection with the Lockbox are provided on an "AS IS" basis without any representation or warranty, whether express, implied or statutory. To the maximum extent permitted by applicable law, we specifically disclaim any implied warranties of title, merchantability, fitness for a particular purpose and/or non-infringement.

7.4.2 We make no warranty that any Lockbox will be free from viruses, malware, or other related harmful material and make no representation that your ability to access any Lockbox will be uninterrupted. Any defects or malfunction in the product should be directed to the third party offering the Lockbox and not Blockchain.com. We shall not be responsible or liable to you for any loss of any kind, from action taken, or taken in reliance on material, or information, contained on or through the Lockbox.

8 **AIRDROP PROGRAM**

8.1 Description

We may offer you the opportunity to receive Virtual Currency at no cost (**Airdrop**), subject to the terms described in this section. The Airdrop Program is provided to you exclusively by Blockchain Access UK Ltd. The Virtual Currency is delivered by us to you, but is manufactured, offered and supported by the network creator or developer, if any, and not by Blockchain.com.

8.2 Terms of Airdrop Program

8.2.1 No Purchase Necessary

There is no purchase necessary to receive Virtual Currency in an Airdrop. However, you must have a Wallet and a User Account. Although Blockchain.com does not charge a fee for participation in the Airdrop Program, we reserve the right to do so in the future and shall provide prior notice to you in such case.

8.2.2 Timing

Each Airdrop shall be subject to any terms displayed in the Services and marked with an asterisk (*) or other similar notation.

8.2.3 Limited Supply

An offer to receive Virtual Currency in an Airdrop is only available to you while supplies last. Once the amount of Virtual Currency offered by Blockchain.com in an Airdrop is exhausted, any party who has either been placed on a waitlist, or has completed certain additional steps, but not yet received notice of award of Virtual Currency in such Airdrop, shall no longer be eligible to receive Virtual Currency in that Airdrop. Blockchain.com reserves the right, in our sole discretion, to modify or suspend any Airdrop requirements at any time without notice, including the amount previously advertised as available.

8.2.4 Eligibility

You may not be eligible to receive Virtual Currency from an Airdrop in your jurisdiction. In the event that you have multiple Wallets with Blockchain.com, you are only eligible to receive Virtual Currency from an Airdrop in one Wallet and for one User Account.

8.2.5 Notice of Award

In the event you are selected to receive Virtual Currency in an Airdrop, we shall provide you with written notice of the pending delivery of such Virtual Currency. Eligibility may be limited as to time. We are not liable to you for failure to receive any notice associated with the Airdrop Program due to change in your contact information that was not updated by you prior to such time as the notice was delivered by us to you.

8.3 Risk Disclosures Relating to Airdrop Program

You are solely responsible for researching and understanding the Virtual Currency network subject to the Airdrop. You may not rely on any of our statements concerning the foregoing.

9 **BLOCKCHAIN.COM EXCHANGE**

9.1 Description

We may offer you the ability to purchase and sell Virtual Currency for other Virtual Currency or fiat currency via Blockchain.com Exchange subject to the terms of this Agreement. Blockchain.com Exchange is provided to you exclusively by Blockchain Access UK Ltd. Use of Blockchain.com Exchange requires a User Account, which may require you to complete certain actions pursuant to our Compliance Program. Your use of Blockchain.com Exchange is subject to the terms of the Trading Principles as amended from time to time. In the event of any inconsistency between this Agreement and the Trading Principles, this Agreement shall apply with respect to matters relating to

this Section.

9.2 Availability of Service

Blockchain.com Exchange may not be available in all markets and jurisdictions. We may restrict or prohibit use of Blockchain.com Exchange in certain jurisdictions (**Restricted Locations**), and change such restrictions or prohibitions at any time.

9.3 General Obligations

9.3.1 Number of User Accounts

We may, in our sole discretion, limit the number of User Accounts that you may create or maintain. We may terminate or suspend any User Account that exceeds such limit, and liquidate, freeze or refund positions and funds associated with such User Account.

9.3.2 Hardware and Software Requirements

We may limit use of Blockchain.com Exchange to certain hardware devices and/or supported software. We do not guarantee that Blockchain.com Exchange will be accessible through all manufacturers of electronic devices or software developers. Access to Blockchain.com Exchange may also require certain hardware, software and security protocols, which could result in your inability to access Blockchain.com Exchange.

9.3.3 User Account Access

In the normal course of business, we will require login credentials to access your User Account. We may impose additional security measures to be used when you access Blockchain.com Exchange, including but not limited to two-factor authentication (**2FA**). This 2FA may include security passcodes sent via mobile text message or electronic mail or an application designed to provide 2FA by other means. If prompted to install any such 2FA application, you are solely responsible for ensuring the security of any password or login credentials. We may provide data through such 2FA application in order to authenticate your use of Blockchain.com Exchange. We cannot be held responsible for any damage caused by a 2FA device, software or method.

9.3.4 Blockchain.com Exchange Communications

Blockchain.com may offer a “chat” or “messaging” feature in connection with Blockchain.com Exchange, use of which will allow you to communicate with other Blockchain.com Exchange Participants (as such term is defined in the Trading Principles). Use of any such feature is subject to both the terms of this Agreement and the Trading Principles. Blockchain.com may suspend or terminate your use of any such messaging feature, in our sole discretion, for any reason, with or without notice. All communications made on any such feature are subject to surveillance and retention by Blockchain.com and may be produced by us in response to a request for information from law enforcement, a governmental agency or regulatory authority. Any such feature is not a method of execution, and any communications relating to transactions are for discussion purposes only. All orders must be executed via Blockchain.com Exchange’s order process.

9.3.5 User Account Information

You will be able to view certain details of your account history as determined by Blockchain.com, up to a specific period of time as determined by Blockchain.com in our sole discretion. This account history may include information such as: (a) your fiat balance; (b) your Virtual Currency balance; (c) executed transaction details; (d) unexecuted transaction details; and (e) deposit and withdrawal information.

9.4 Deposits and Withdrawals to Your User Account

9.4.1 Funding Your User Account

In order to complete a Virtual Currency transaction, you will need sufficient funds in your User Account, either in the form of Virtual Currency or fiat currency, depending upon the order type you select. Blockchain.com may not support all funding methods at all times. You are solely responsible for your use of any external account, provider, or service used to transfer funds to your User Account. The timing associated with any deposit will vary and may depend in part upon the performance of third parties unrelated to Blockchain.com. We shall not be responsible for damages resulting from failed or delayed funding.

9.4.1.1 Treatment of Fiat Funds

We shall hold fiat currency deposited by you in your User Account for your benefit and on your behalf in a third bank account. Each such account is separate from Blockchain.com's operating bank account(s).

9.4.1.2 Treatment of Virtual Currency

Any Virtual Currency held in your User Account on Blockchain.com Exchange will be custodial assets held by Blockchain.com for your benefit. Among other things, this means that:

- (a) As the owner of Virtual Currency in such User Account, you shall bear all risk of loss of such Virtual Currency. Blockchain.com shall not have any liability for fluctuations in the fiat currency value of Virtual Currency held in such User Account.
- (b) You control the Virtual Currency held in such User Account. At any time, subject to outages, downtime, and other applicable policies, you may withdraw your Virtual Currency by sending it to a different blockchain address controlled by you or a third party.
- (c) In order to more securely custody assets, Blockchain.com may use shared blockchain addresses, controlled by a member of the Blockchain.com Group, to hold Virtual Currencies held on behalf of customers and/or held on behalf of Blockchain.com. Although we maintain separate ledger accounting entries for customer and Blockchain.com accounts, no member of the Blockchain.com Group shall have any obligation to segregate by blockchain address Virtual Currencies owned by you from Virtual Currencies owned by other customers or by any member of the Blockchain.com Group.
- (d) We shall not loan, hypothecate, pledge, or otherwise encumber any Virtual Currency deposited by you for use on Blockchain.com Exchange.
- (e) We may store any Virtual Currency you deposit for use on Blockchain.com Exchange in a "hot wallet", "cold wallet" or other storage method in our sole discretion.

9.4.2 Withdrawing Funds from Your User Account

In the event that the balance of available funds in your User Account is greater than any minimum balance requirement needed to satisfy all open orders, you may request a withdrawal of Virtual Currency or fiat currency, as applicable. You are solely responsible for losses resulting in whole or in part from any external account, provider, or service. We cannot guarantee the timing of any withdrawal request. Requests may be delayed or canceled as part of our Compliance Program.

9.4.3 Payment Service Providers

We may, at our discretion, use a third party payment service provider to process deposit and withdrawal requests in fiat currencies. Upon making a deposit or withdrawal request for fiat currency, you may be directed away from Blockchain.com Exchange or Blockchain.com Site to a third party website. In such case, you are solely responsible for any actions taken on such website and we shall not be liable for any loss resulting in whole or in part from such website or provider.

9.4.4 Deposit and Withdrawal Limits

We may, in our sole discretion, impose daily, weekly, monthly, or other periodic limits on deposits and withdrawals, which we may implement, eliminate, increase or decrease without advance notice.

9.4.5 Erroneous Deposits

In the event that any amount of fiat currency or Digital Currency is deposited into your account in error (an "erroneous deposit"), you must notify Blockchain.com immediately and return the erroneous deposit as soon as possible. In the event you do not return the erroneous deposit to Blockchain.com, you shall be indebted to Blockchain.com in the amount of the erroneous deposit and Blockchain.com shall have the right to debit this amount from your User Account in whole or in part until such time as the full amount has been returned. In addition, Blockchain.com may, but be under no obligation to, take whatever further action it considers necessary in order to recover the erroneous deposit.

9.5 Blockchain.com Activity

9.5.1 Order Types

We shall, from time-to-time, offer you different types of orders that may be placed on Blockchain.com Exchange. The Trading Principles contain more additional information on order types. We do not guarantee any order you place on Blockchain.com Exchange will be executed or executed at any particular time.

9.5.2 Cancellation Policy

Blockchain.com Exchange is an active and live marketplace. By entering any order, you are bound to its terms and may not be able to cancel such order. You must review all of the details prior to entering an order on Blockchain.com Exchange, including the quantity and price of the Virtual Currency to be bought or sold, as well as the amount of funds, either Virtual Currency or fiat currency, that will be required in connection with your trade request. Please see the Trading Principles for additional information on Blockchain.com's cancellation practices.

9.5.3 Blockchain.com Own Account Dealing

Any member of the Blockchain.com Group may be actively participating on the Blockchain.com Exchange and placing its own orders. This means that the counterparty to an order you place on the Blockchain.com Exchange may be Blockchain.com acting in such a capacity.

9.6 Fees

You must pay any fees associated with your use of Blockchain.com Exchange. Generally, Blockchain.com will debit fees for orders from the total cost of your order. Blockchain may charge other fees, or process fees in an alternative manner, but only with prior written notice to you. On the Blockchain Site, we shall post a fee schedule that we may amend at any time in our sole discretion,

with prior written notice to you. In the event you are found to owe us any amount of fiat currency or Virtual Currency, we may offset such amount against any funds we hold for you, whether in Virtual Currency or fiat currency.

10 GENERAL RISK FACTORS

Your use of the Services requires you to bear risks for which we cannot be held responsible. We list some, but not all of these risks below:

- (a) Hardware, software or connections required to interact with a Virtual Currency network might fail, succumb to malware, unauthorised access or malicious attacks. Third parties may obtain unauthorised access to the Services, including, but not limited to your public and private keys. Blockchain.com shall not be responsible for any communication failures, disruptions, errors, distortions or delays you may experience when using the Services, however caused.
- (b) Forks, unknown vulnerabilities in or unanticipated changes to the network protocol may cause losses to you or others. Blockchain.com has no control over any cryptocurrency network and shall not be responsible for any harm occurring as a result of the inability to reverse a transaction, and any losses in connection therewith due to erroneous or fraudulent actions.
- (c) The risk of loss of value in using Services involving Virtual Currencies may be substantial and losses may occur over a short period of time. In addition, price and liquidity are subject to significant fluctuations that may be unpredictable.
- (d) Virtual Currencies are not legal tender and are not backed by any sovereign government. In addition, the legislative and regulatory landscape around Virtual Currencies is constantly changing and may affect your ability to use, transfer, or exchange Virtual Currencies.
- (e) When placing a “market order” in a Virtual Currency, your order will be executed immediately at the current market price. Market orders do not carry a limit price and will trade with anything on the order book. During periods of high volume, fast market conditions, illiquidity, or volatility in the marketplace, the actual price that a market order is executed at may be different from the best price indicated at the time of your order, and in some cases significantly so.
- (f) Under certain market conditions you may find it difficult to liquidate a position. In such circumstances, Blockchain.com Exchange may not have sufficient demand to meet your request to execute such a transaction. Placing contingent orders, such as a “stop” or “limit” order does not guarantee your potential loss will be limited to an intended amount, as market conditions may make it difficult to execute such orders. You may suffer losses due to orders executing at lower or higher values than anticipated or requested.
- (g) Virtual Currency transactions may not be reversible. Once you send Virtual Currency to an address, you may lose access to your Virtual Currency temporarily or indefinitely. For example, an address may have been entered incorrectly, or an address may belong to an entity that will not return your Virtual Currency. Virtual Currency mistakenly sent to an address we control may not be recoverable.

11 GENERAL PROVISIONS

11.1 Intellectual Property

11.1.1 Unless otherwise indicated by us, all intellectual property rights and any content provided in

connection with the Blockchain.com Site or the Services, are the property of Blockchain.com or our licensors or suppliers and are protected by applicable intellectual property laws. We do not give any implied licence for the use of the contents of the Blockchain.com Site or the Services.

- 11.1.2 You accept and acknowledge that the material and content contained in or delivered by the Blockchain.com Site or the Services is made available for your personal, lawful, non-commercial use only and that you may only use such material and content for the purpose of using the Blockchain.com Site or the Services as set forth in this Agreement.
- 11.1.3 You further acknowledge that any other use of content from the Blockchain.com Site or the Services is strictly prohibited and you agree not to infringe or enable others to infringe our intellectual property rights. You agree to retain all copyrighted and other proprietary notices contained in the material provided via the Blockchain.com Site or the Services on any copy you make of the material but failing to do so shall not prejudice Blockchain.com's intellectual property rights therein.
- 11.1.4 You may not sell or modify materials derived or created from the Blockchain.com Site or the Services or reproduce, display, publicly perform, distribute or otherwise use the materials in any way for any public or commercial purpose. Your use of such materials on any other website or on a file-sharing or similar service for any purpose is strictly prohibited. You may not copy any material or content derived or created from the Blockchain.com Site or the Services without our express, written permission.
- 11.1.5 Any rights not expressly granted herein to use the materials contained on or through the Blockchain.com Site or the Services are reserved by Blockchain.com in full.

11.2 Accuracy of Information

- 11.2.1 We endeavour to verify the accuracy of any information displayed, supplied, passing through or originating from the Services, but such information may not always be accurate or current. Accordingly, you should independently verify all information before relying on it, and any decisions or actions taken based upon such information are your sole responsibility.
- 11.2.2 We make no representation or warranty of any kind, express or implied, statutory or otherwise, regarding the contents of the Services, information and functions made accessible through the Services, any hyperlinks to third party websites, or the security associated with the transmission of information through the Services, or any website linked to the Services.

11.3 Third Party Services and Content

- 11.3.1 In using the Services, you may view content or services provided by third parties, including links to web pages and services of such parties (**Third Party Content**). We do not control, endorse or adopt any Third Party Content and have no responsibility for Third Party Content, including, without limitation, material that may be misleading, incomplete, erroneous, offensive, indecent or otherwise objectionable in your jurisdiction. In addition, your dealings or correspondence with such third parties are solely between you and the third party.
- 11.3.2 We are not responsible or liable for any loss or damage of any sort incurred as a result of any such dealings and your use of Third Party Content is at your own risk.

11.4 Cooperation with Law Enforcement

Blockchain.com may, from time-to-time, respond to requests from third parties, courts, law enforcement, regulators and policymakers by producing certain information about or relating to your use of the Services.

11.5 Recordkeeping

Depending on the Services used by you, Blockchain.com reserves the right, in our sole discretion, to create and maintain certain records of your activity and communications relating to your User Account.

12 FEEDBACK AND COMPLAINTS

12.1 Feedback

12.1.1 Blockchain.com strives to improve its Services to address feedback. If you have ideas or suggestions regarding improvements or additions to the Services, we would like to hear them; however, any submission shall be subject to this User Agreement.

12.1.2 Under no circumstances shall disclosure of any idea or feedback, or any related material to Blockchain.com be subject to any obligation of confidentiality or expectation of compensation.

12.1.3 By submitting an idea or feedback or any related material that would be subject to intellectual property rights (the **Work**) to Blockchain.com, you grant to Blockchain.com, with respect to the Work submitted, a non-exclusive, perpetual, global, royalty-free licence to use all of the content of such ideas and feedback, for any purpose whatsoever.

12.1.4 By submitting Work, you are waiving any moral rights to the fullest extent permitted under law that you may have in the Work and are representing and warranting to Blockchain.com that the Work originated with you, no one else has any rights in the Work, and that Blockchain.com is free of any royalty to implement the Work and to use the related material if so desired, as provided or modified by Blockchain.com, without obtaining permission or licence from any third party.

12.1.5 Blockchain.com may sub-license in any way all Work and material you have submitted to Blockchain.com.

12.2 Technical Support

We shall use commercially-reasonable efforts to supply email-based technical support services, but cannot guarantee immediate responses, especially during times of high volume.

13 REPRESENTATIONS, WARRANTIES, INDEMNIFICATION AND LIMITATIONS OF LIABILITY

13.1 No Violation of Law

You represent and warrant to us that you: (a) are not located in, under the control of, or a resident of any Restricted Location or any country to which the United States has embargoed goods and services; (b) are not identified as a "Specially Designated National" by the United States Treasury Department; and (c) shall not use the Services if you are prohibited by any applicable law, regulation, or rule from doing so.

13.2 Acceptable Use of Blockchain.com Services

When accessing or using the Services, you agree that you are solely responsible for your conduct while accessing and using our Services. Without limiting the generality of the foregoing, you agree that you shall not:

- (a) use the Services in any manner that could interfere with, disrupt, negatively affect or inhibit other users from fully enjoying the Services, or that could damage, disable, overburden or impair the functioning of our Services in any manner;

- (b) use the Services to pay for, support or otherwise engage in any illegal activities, including, but not limited to illegal gambling, fraud, money laundering, or terrorist activities;
- (c) use any robot, spider, crawler, scraper or other automated means or interface not provided by us to access our Services or to extract data;
- (d) use or attempt to use another person's User Account, or credentials without authorisation;
- (e) attempt to circumvent any content filtering techniques we employ, or attempt to access any service or area of our Services that you are not authorised to access;
- (f) introduce to the Services any virus, Trojan, worms, logic bombs or other harmful material;
- (g) develop any third-party applications that interact with our Services without our prior written consent;
- (h) provide false, inaccurate, or misleading information; or
- (i) encourage or induce any other person to engage in any of the activities prohibited under this Section.

13.3 Disclaimer of Warranties

BLOCKCHAIN.COM DISCLAIMS ANY AND ALL PROMISES, REPRESENTATIONS AND WARRANTIES, WHETHER EXPRESS, IMPLIED OR STATUTORY, INCLUDING, BUT NOT LIMITED TO, ANY WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, DATA ACCURACY, SYSTEM INTEGRATION, TITLE,

NON-INFRINGEMENT AND/OR QUIET ENJOYMENT, AND ANY SERVICES PROVIDED BY BLOCKCHAIN.COM ARE PROVIDED "AS IS" AND "AS AVAILABLE." EXCEPT AS EXPRESSLY PROVIDED HEREIN, YOU ACKNOWLEDGE THAT BLOCKCHAIN.COM MAKES NO WARRANTIES UNDER THIS AGREEMENT DIRECTLY FOR THE BENEFIT OF ANY END USER, AND THAT BLOCKCHAIN.COM'S OBLIGATIONS UNDER THIS AGREEMENT ARE FOR THE BENEFIT OF YOU ONLY, AND NOT FOR THE BENEFIT OF ANY OTHER PERSON. IN ENTERING INTO THIS AGREEMENT, YOU REPRESENT THAT YOU HAVE NOT RELIED UPON ANY REPRESENTATION OR WARRANTY OF BLOCKCHAIN.COM OR ITS AFFILIATES EXCEPT AS EXPRESSLY SET FORTH IN THIS AGREEMENT. WE DO NOT MAKE ANY REPRESENTATIONS OR WARRANTIES THAT ACCESS TO THE SERVICES SHALL BE CONTINUOUS, UNINTERRUPTED, TIMELY, OR ERROR-FREE.

13.4 Limitation of Liability

IN NO EVENT SHALL BLOCKCHAIN.COM, ITS AFFILIATES AND SERVICE PROVIDERS, OR ANY OF THEIR RESPECTIVE OFFICERS, DIRECTORS, AGENTS, EMPLOYEES OR REPRESENTATIVES, BE LIABLE FOR: (A) ANY AMOUNT GREATER THAN THE VALUE OF THE VIRTUAL CURRENCY ACTUALLY DELIVERED TO US BY YOU OR BY YOU TO US IN CONNECTION WITH A SUPPORTED VIRTUAL CURRENCY TRANSACTION COMPLETED ON ITS DISPLAYED TERMS OVER THE LAST SIX MONTHS, VALUED IN GREAT BRITISH POUNDS AT THE TIME OF THE TRANSACTION; OR (B) FOR ANY LOST PROFITS OR ANY SPECIAL, INCIDENTAL, INDIRECT, INTANGIBLE, OR CONSEQUENTIAL DAMAGES, WHETHER BASED IN CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY, OR OTHERWISE, ARISING OUT OF OR IN CONNECTION WITH AUTHORIZED OR UNAUTHORIZED USE OF THE SERVICES, OR THIS AGREEMENT, EVEN IF AN AUTHORIZED

REPRESENTATIVE OF BLOCKCHAIN.COM HAS BEEN ADVISED OF, KNEW OF, OR SHOULD

HAVE KNOWN OF THE POSSIBILITY OF SUCH DAMAGES. FOR EXAMPLE (AND WITHOUT LIMITING THE SCOPE OF THE PRECEDING SENTENCE), YOU MAY NOT RECOVER FOR LOST PROFITS, LOST BUSINESS OPPORTUNITIES, OR OTHER TYPES OF SPECIAL, INCIDENTAL, INDIRECT, INTANGIBLE, OR CONSEQUENTIAL DAMAGES. SOME JURISDICTIONS DO NOT ALLOW THE EXCLUSION OR LIMITATION OF INCIDENTAL OR CONSEQUENTIAL DAMAGES, SO THE ABOVE LIMITATION MAY NOT APPLY TO YOU.

UNDER NO CIRCUMSTANCES SHALL WE BE REQUIRED TO DELIVER TO YOU ANY VIRTUAL CURRENCY AS DAMAGES, MAKE SPECIFIC PERFORMANCE OR ANY OTHER REMEDY. IF YOU WOULD BASE YOUR CALCULATIONS OF DAMAGES IN ANY WAY ON THE VALUE OF VIRTUAL CURRENCY, YOU AND WE AGREE THAT THE CALCULATION SHALL BE BASED ON THE LOWEST VALUE OF THE VIRTUAL CURRENCY DURING THE PERIOD BETWEEN THE ACCRUAL OF THE CLAIM AND THE AWARD OF DAMAGES.

WE SHALL NOT BE LIABLE FOR ANY DAMAGES CAUSED IN WHOLE OR IN PART BY (A) THE MALFUNCTION, UNEXPECTED FUNCTION OR UNINTENDED FUNCTION OF ANY COMPUTER OR CRYPTOCURRENCY NETWORK, INCLUDING WITHOUT LIMITATION LOSSES ASSOCIATED WITH NETWORK FORKS, REPLAY ATTACKS, DOUBLE-SPEND ATTACKS, SYBIL ATTACKS, 51% ATTACKS, GOVERNANCE DISPUTES, MINING DIFFICULTY, CHANGES IN CRYPTOGRAPHY OR CONSENSUS RULES, HACKING OR CYBERSECURITY BREACHES; (B) THE CHANGE IN VALUE OF ANY CRYPTOCURRENCY; (C) ANY CHANGE IN LAW, REGULATION OR POLICY, OR (D) FORCE MAJEURE. THIS LIMITATION OF LIABILITY IS INTENDED TO APPLY WITHOUT REGARD TO WHETHER OTHER PROVISIONS OF THIS AGREEMENT HAVE BEEN BREACHED OR HAVE PROVEN INEFFECTIVE.

13.5 Indemnification

You agree to indemnify and hold harmless Blockchain.com, its affiliates, subsidiaries, directors, managers, members, officers, and employees from any and all claims, demands, actions, damages, losses, costs or expenses, including without limitation, reasonable legal fees, arising out of or relating to your or any other person's use of your credentials or User Account in connection with: (a) use of the Blockchain.com Site or Services; (b) breach of this User Agreement or any other policy; (c) feedback or submissions you provide; (d) false, incomplete, or misleading information relied upon by us to verify your identity and source of funds, where applicable; or (e) violation of any rights of any other person or entity; provided however, that you shall not indemnify Blockchain.com for claims or losses arising out of Blockchain.com's gross negligence or willful misconduct. This indemnity shall apply to your successors and assigns and shall survive any termination or cancellation of this User Agreement.

13.6 Any and all of our indemnities, warranties, and limitations of liability (whether express or implied) are hereby excluded to the fullest extent permitted under law except as set forth herein. Nothing in this User Agreement excludes or limits liability which may not be limited or excluded under applicable law.

14 MISCELLANEOUS

14.1 Force Majeure

If by reason in whole or in part of any Force Majeure Event, either you or Blockchain.com is delayed or prevented from complying with this User Agreement, then such delay or non-compliance shall not be deemed to be a breach of this User Agreement and no loss or damage shall be claimed by you or Blockchain.com by reason thereof. "Force Majeure Event" means any event beyond the party's reasonable control, including, but not limited to, flood, extraordinary weather conditions, earthquake, or other act of God, fire, war, insurrection, riot, labor dispute, accident, action of government, communications, power failure, failure in bank performance, or equipment or software malfunction

including network splits or “forks” or unexpected changes in a computer network upon which the Services rely.

14.2 Taxes

It is your responsibility to determine what, if any, taxes apply due to your use of Blockchain.com Services, and it is your responsibility to report and remit the correct tax to the appropriate tax authority. Blockchain.com is not responsible for determining whether taxes apply to your Virtual Currency transactions or for collecting, reporting, withholding or remitting any taxes arising from any virtual currency transactions.

14.3 Severability, Reformation

In the event that any provision of this User Agreement is unenforceable under applicable law, the validity or enforceability of the remaining provisions will not be affected. To the extent any provision of this User Agreement is judicially determined to be unenforceable, a court of competent jurisdiction may reform any such provision to make it enforceable. The provisions of this User Agreement will, where possible, be interpreted so as to sustain its legality and enforceability.

14.4 Assignment

This User Agreement shall be binding on your successors, heirs, personal representatives, and assigns. You may not assign or transfer any of your rights or obligations under this User Agreement without prior written consent of Blockchain.com, which may be withheld in Blockchain.com’s sole discretion. We may assign rights or delegate duties under this User Agreement in our sole discretion.

14.5 Relationship of the Parties

Nothing in this User Agreement is intended to, nor shall create any partnership, joint venture, agency, consultancy or trusteeship. You and Blockchain.com are independent contractors for purposes of this User Agreement.

14.6 Entire Agreement

This User Agreement constitutes the entire agreement among the Parties with respect to the subject matter described herein and shall supersede all prior agreements and understandings, written or oral, among the Parties. Subsequent discussions or negotiations between you and Blockchain.com or Blockchain.com personnel shall only amend or become part of this User Agreement by way of a written amendment specifically referencing the last updated date and name of this User Agreement.

14.7 Contact Information

For any purpose other than technical support requests, you may contact us by registered post or courier:

Blockchain Access UK Ltd
Tallis House
Tallis Street
London EC4Y 0AB

With an electronic copy to: legal@blockchain.com

For technical support requests only, you may submit a request via our Support tool at: <https://support.blockchain.com>.

15. DISPUTE RESOLUTION FOR UNITED STATES USERS

15.1 Disputes

If you live in the United States (or, if you are a business, have your principal place of business in the United States), any dispute arising between you and us under this User Agreement or our relationship (whether arising out of contract, tort, statute or any other manner) shall be settled in binding arbitration, in accordance with the Federal Arbitration Act under the American Arbitration Association's rules; provided, however, nothing in this Agreement will waive, preclude or otherwise limit your right to (i) bring an individual action in a US small claims court or (ii) file a representative action solely to obtain a public injunction.

15.2 Arbitration

The arbitration will be conducted by a single, neutral arbitrator and shall take place in the county or parish of your billing address, or another mutually agreeable location, in the English language. The arbitrator shall apply the law of the state of New York, without regard to its conflict of laws principles. The arbitrator may award any relief that a court of competent jurisdiction could award, including attorneys' fees when authorised by law, and the arbitration decision may be enforced in any court. You agree that the arbitrator shall have the authority to order relief, and you agree to abide by all decisions and awards rendered in such a proceeding, which shall be final and conclusive. At your request, hearings may be conducted in person or by telephone and the arbitrator may provide for submitting and determining motions on briefs, without oral hearings. The prevailing party in any action or proceeding to enforce this agreement shall be entitled to reasonable costs and attorneys' fees. If the arbitrator(s) or administrator imposes filing fees or other administrative costs on you, we will reimburse you, upon request, to the extent such fees or costs would exceed those that you would otherwise have to pay if you were proceeding instead in a court. If a court decides that any provision of this section concerning Arbitration is invalid or unenforceable, that provision shall be severed and resolved in accordance with English law exclusively and the other parts of this section concerning Arbitration shall still apply. In no case shall the remainder of this User Agreement be affected. If the invalidity or unenforceability of a provision causes a dispute to proceed in a court instead of arbitration, the Parties agree that such court must be located in London, England, applying English law.

15.3 No Trial by Jury

By entering into this User Agreement, you expressly waive your right to a trial by jury and right to participate in a class action lawsuit.

16. DISPUTE RESOLUTION FOR NON-US USERS

If you live outside of the United States (or, if you are a business, have your principal place of business outside of the United States), any dispute arising between you and us under this User Agreement or our relationship (whether arising out of contract, tort, statute or any other manner), the courts located in London, England shall have exclusive jurisdiction of such dispute, and will hear the dispute under English law.
